

Bloom Level	Question	Response
Level 1 Remembering	In your own words, define the conflict(s) and the cause(s).	
Level 2 Understanding	Identify at least three major problems with this interpersonal relationship.	
Level 3 Applying	What solutions would you offer to both parties?	
Level 4 Analyzing	Compare and contrast this interpersonal relationship with a "healthier," more mature, productive relationship.	
Level 5 Evaluating	Develop a brief argument as to why you think this relationship is more the norm than the unusual.	
Level 6 Creating	Develop/design a plan you would use to make this situation better. List at least five positive steps to bring about change.
