AGREEMENT OF UNDERSTANDING

By submitting this application, I, hereby, give permission for my child to be screened for admission to the Engineering Academy for Student Excellence at American Senior High School based on this application. If there is a seat available and your child meets all eligibility requirements for the program, your child will be placed in academy courses for the next semester. My child must demonstrate acceptable performance (as determined by school-site policy) to remain in the Engineering Academy. Acceptance may be provisional and contingent upon the individual's performance and/or the successful completion of exams, courses, etc.

Submission does not guarantee placement into the program and availability is subject to change based on classes offered. Once your application has been reviewed you will be contacted by the school staff with any additional steps required of you.

☐   Check here to indicate that you have read and agree to the Agreement of Understanding and email completed application to Academy Lead Teacher Mr. Cox at justincx@dadeschools.net.
