Message from the Principal

AMERICAN SENIOR HIGH SCHOOL EXCELLING WITH STRENGTH THROUGH DIVERSITY!

Welcome back! The 2022 – 2023 school year is upon us and unlike previous years, it promises to be one that American Senior High School has never seen before. The effort and work that the custodial staff has put forth has made a difference in the overall aesthetics of the school site, the school looks fantastic. The cleanliness and upkeep of both the interior and exterior of the building is nothing less than spectacular. The halls are shining, and the grounds are well-manicured. American is truly showing its colors – red, white, and blue!

Teachers have been preparing to receive the students for a successful school year. Teachers have been given guidelines promoting standards and expectations. In addition, they have been made aware of new initiatives launched by the district, M-DCPS, as well as by the school. Similarly, the data generated during the 2021 – 2022 school year has been analyzed and discussed to ensure that students are accurately placed and that instructional practices needed to help students move in a positive direction and achieve their academic goals are imbedded in the classroom.

As it has been in years past, the administrative team has had a long summer, yet a very fruitful one. The administrative team has been working diligently to provide parents, students, and staff with an institution that is worthy of their expectations. Apart from having the building cleaned and ready to receive students, the administrative team has been working hard to find teachers to replace open positions vacated by former teachers. In all, 9 new teachers, 1 new custodian and 1 new treasurer, some new to the profession and others transfers from other locations, have been hired at American Senior for the upcoming year. This continues to give American a different look and an opportunity to grow and improve on our abilities to best serve our student body.

Through our partnership with Miami Dade College (MDC), students can take a Dual Enrollment course at American as well as join our Dual Enrollment program, beginning as early as 9th grade, where students attend classes at MDC after school and on Saturdays throughout their high school career. This program affords our students the opportunity to earn college credits and graduate high school with their associate degree. Aside from Dual Enrollment, American Senior High School offers 3 Advanced Placement (AP) courses, 5 Pre-AICE courses, and 12 AICE courses. Students who successfully complete the Cambridge at American Program will not only earn college credits but will also graduate high school with their AICE Diploma, which is highly regarded as one of the most prestigious academic accomplishments that affords students with 100% of the Bright Futures Scholarship.

Similarly, American remains committed to finding ways to improve student behavior. Students are encouraged to dress according to the student dress code and uniform policy, speak with respect to fellow classmates and adults, and treat all members of the American Senior High School community with respect. As in the past, I urge parents to work with the school community to get

MIAMI-DADE COUNTY PUBLIC SCHOOL
DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

a unified message to our students. Parents are asked to please continue to support their children and help them become responsible and contributing members of our society.

Finally, parents, it is imperative that students are present in school all day, every day. If students are not in school, they are not learning; they are missing out on vital instruction and enriching peer discussions. Overall, the outlook of the new school year looks extremely encouraging.

I am looking forward to a successful 2022 – 2023 school year.

Sincerely,

Principal, Stephen E. Papp

Academic Programs – Student Progression Plan (SPP), School Board Policy 5410

Provides guidance to teachers, school and district administrators, parents and other stakeholders regarding the requirements and procedures for students to progress from one grade to the next, kindergarten through grade 12 and adult education. The information presented in this document is derived from requirements set forth by Florida Statutes, State Board of Education Rules and Policies established by The School Board of Miami-Dade County.

Bring Your Own Device allows students, parents, staff, and guests utilize technology devices at specified times during the instructional day to enhance the learning experience. Examples of the types of technology which can be used are Windows laptops/tablets, Mac laptops, Android tablets, and iPads. More information about the BYOD program as well as minimum device specifications for those that are considering purchasing a device can be found at <https://digital.dadeschools.net>

Bullying Prevention

Miami-Dade County Public Schools is committed to providing a safe learning environment for all students and therefore all allegations of bullying/harassment are taken seriously. When concerned about bullying or harassment behaviors, contact your child's teacher immediately. You can verbally report your concerns and/or fill out the [Bullying and Harassment Reporting Form](#). If the problem should continue to persist, notify the school's principal. You may also contact the Bullying/Harassment Helpline, staffed by the Division of Student Services staff at the District office. They can be reached at 305-995-CARE (2273). The Helpline is staffed from 7:30 a.m. - 4:30 p.m., Monday through Friday. Students and parents may also report bullying through our Districts anonymous online bullying reporting system available on the student and parent portals. Additional information regarding bullying and harassment can be found on the Student Services [website](#).

Clinic

There is a school clinic on site located in the Attendance Office for students who are not feeling well. Parent contact will be made immediately once a student is sent down to the clinic.

Closing of School

The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Code of Student Conduct

Miami-Dade County School Board approved a revised Code of Student Conduct (COSC). The COSC focuses on providing and maintaining a safe and positive learning environment for students, faculty, staff and community.

A major consideration in the application of the Code of Student Conduct is cultivating a positive school climate to support academic achievement, promote fairness, civility, acceptance of diversity, and mutual respect. Toward that end, the range of inappropriate behavior is divided into five groups, along with both recommended and mandated corrective strategies.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

The Code of Student Conduct addresses the role of the parents/guardians, the students, and school, but also focuses on core values and model student behavior, rights and responsibilities of students, addressing student behavior, and disciplinary procedures. Furthermore teachers, counselors and administrators work to use a variety of progressive corrective or guidance strategies to correct the inappropriate behaviors.

Differences in age and maturity are recognized in determining the types of corrective strategies to be taken. However, the procedures outlined in the COSC apply to all students under the jurisdiction of Miami-Dade County Public Schools. The COSC is in force during regular school hours, while students are being transported on a school bus and at such times and places – including but not necessarily limited to school-sponsored events, field trips, athletic functions and other activities – where appropriate school administrators have jurisdiction over students.

Principals are authorized to take administrative action whenever a student's off-campus conduct poses a threat or danger to the safety of other students, staff, School Board members, any other members of the District Community, or school property may constitute behavior that has a substantial adverse impact on the educational environment requiring disciplinary action. Types of behaviors range from acts that disrupt the orderly operation of the classroom, school functions, and extracurricular activities or approved transportation to the most serious acts of misconduct and violent actions that threaten life.

The Code of Student Conduct outlines expected student behavior and a multitude of corrective strategies should misconduct occur.

The COSC addresses students' rights and responsibilities pertaining to the right to learn; attendance; students' records; grades; free speech, expression and assembly; and publications. It also outlines parents' rights in regard to assuring their child's opportunity for an education.

Students or parents having problems interpreting the COSC should address concerns through the school principal. Additionally, should the concerns not be resolved at the school level, an appeal can be made at the region office and subsequently to the District.

The Code of Student Conduct can be accessed by going to the following website: <https://codeofconduct.dadeschools.net>. If you do not have access to the Internet, you may go to your child's school and request to review the Code of Student Conduct manual.

Please take the time to review and discuss the importance of the *Code of Student Conduct* with your child or children. After reviewing the *Code of Student Conduct*, you and your child/children must sign, date, and return the *accompanied* Parent Receipt and Acknowledgement Form to your child's school within 5 school days.

Community School Program

The Community School Program offers an opportunity for the public-school system to determine the needs of the community and provides a mechanism to meet those needs. The curriculum of the Community School Program is as wide and varied as the needs of the community it serves. Community schools provide programs that are funded by fees, tuition, grants, and donations, on community school sites, in adult centers, in satellite programs, and at off-campus, non-public school locations throughout Miami-Dade County.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

Each of the 17 Community Education Centers offer classes for individuals of all ages, skill levels and language capabilities. Students enrolling in language or computer classes have the opportunity to enhance the job skills needed to satisfy the demands of today's world. Annually, thousands of people have taken advantage of these recreational and educational opportunities, and if an individual or group wants to acquire a specific new skill, Miami-Dade County Public Schools can work with each to create a class that suits the needs of all interests.

For more specific information on Miami-Dade County Public Schools Community Education and Before and After School Care programs or Middle School Enrichment After School programs, please log on to our website at www.dadecommunityschools.net or please call Mr. Victor Ferrante, Executive Director at 305-817-0014.

Comprehensive Student Services Program

The Division of Student Services implements the Comprehensive Student Services Program, serving students from Pre-K to Adult. Through collaborative efforts with community agencies, students' academic, personal/social and career development needs are addressed through a team-based approach. An integrated team of uniquely trained Student Services professionals deliver direct services to students. These services focus on the elimination of social and emotional barriers that inhibit students' academic success and prepare students to be college and career ready.

The Comprehensive Student Services Program supports student achievement through effective prevention, intervention, and crisis response services. For more information, please contact Martha Z. Harris, Administrative Director, Division of Student Services, at 305-995-7338.

Discrimination/Harassment

The School Board has a prohibition against discrimination and harassment based on age, citizenship status, color, disability, ethnic or national origin, Family Medical Leave Act (FMLA), gender, gender identity, genetic information, linguistic preference, marital status, political beliefs, pregnancy, race, religion, retaliation, sexual harassment, sexual orientation, social/family background, and any other basis prohibited by law. Safety and Security

- ***Emergency Operations Plan***

Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills (active shooter, hostage, & bomb drills), the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary, the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

- Remain calm;
- Monitor media outlets for updates and official messages from M-DCPS;
- Do not flood the school with telephone calls; and
- If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System (Insert [Flyer](#))

- ***Fire Drills (Evacuation Drills)***

Evacuation drills will take place during the school year in accordance with the National Fire Protection Association 101 Life Safety Code. When the fire alarm activates, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- ***Emergency Drills***

Twenty-one emergency drills, to include one monthly active shooter drill and one hostage situation or bomb threat drill, will take place during the school year according to Florida Senate Bill 7026, also known as the Marjory Stoneman Douglas High School Public Safety Act. One additional active shooter drill must take place within the first 30 days of the opening of schools. All emergency drills shall be conducted in accordance with the appropriate corresponding situational response as outlined in the EOP and shall include developmentally appropriate and age-appropriate procedures.

- ***Lockdown Procedures***

Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty, and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator and/or law enforcement makes an "All Clear" announcement.

MIAMI-DADE COUNTY PUBLIC SCHOOL DISTRICT'S UNIVERSAL PARENT/STUDENT HANDBOOK

- **Threat Assessments**

Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. Schools must establish a Threat Assessment Team (TAT) comprised on an administrator, counselor, teacher, and law enforcement officer. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a TAT shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**

Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. All visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

School Activities/Clubs

All School Activities, clubs, and organizations must be approved by the principal and conform to the School Board Policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**

Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

Before school begins, parents/guardians of all students eligible for bus transportation should log on the BusPlannerWeb and view the bus assignment. The information is updated nightly, and a link is provided on the parent portal. Parents/guardians are encouraged to check the BusPlannerWeb throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504

The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.

Each school must provide to the parent(s), guardian(s) or eligible student(s) an annual notice in writing of their right to inspect and review student records.
